

Chapter 13**Find the perimeter.****Find the circumference.**

1. $r = 2$ feet
2. $d = 6$ meters
3. $r = 7$ inches
4. $d = 16$ cm
5. $r = 10$ meters

Chapter 15**Find the area.**

1. $A =$ _____

Each square is 1 inch on each side

2. $A =$ _____

Each square is one foot on each side.

3. $A =$ _____

Each square is one inch on each side.

4. $A =$ _____

Each square is 1 yard on each side.

5. $A =$ _____

Each square is one cm on each side.

6. $A =$ _____

Each square is 1 meter on each side.

Chapter 17

Find the area. Remember the units.

1. A = _____

2. A = _____

3. A = _____

4. A = _____

5. A = _____

6. A = _____

7. $A =$ _____

8. $A =$ _____

9. $A =$ _____

10. $A =$ _____

11. $A =$ _____

12. $A =$ _____

Chapter 18**Find the volume.**

1. $V =$ _____

2. $V =$ _____

3. $V =$ _____

4. $V =$ _____

5. $V =$ _____

6. $V =$ _____
